NCATA Changing Fare Practices By Offering Free fares

EFFECTIVE MONDAY MARCH 30, 2020:

To help protect our employees, passengers and the community and also recognizing the economic impact during this Covid-19 crisis, the NCATA will not collect fares on any of its services till further notice.

NCATA would ask that Senior Citizens that always ride free to continue showing their Senior Pass to the Driver.

NCATA has taken many steps to reduce the spread of germs to their customers and employees on their buses and at their facilities as they continue to provide bus service in the face of the coronavirus pandemic.

“NCATA will continue to provide the important service of getting people to work, stores, and health facilities as best and as safe as possible in these trying times,” said David Richards, General Manager.
